KIA CARE SERVICE PLANS

Most factory warranties are valid only if you maintain your vehicle regularly. Kia Care Service Plans include valuable maintenance services that help you keep your vehicle qualified for factory warranty protection.

The Kia Care Service Plan is simple:

- Maintenance visits can be pre-scheduled.
- Bring your car and coupon booklet to your service department.

Major repairs on today's automobiles can be costly. Help protect your investment and your peace of mind with a Kia Care Service Plan.

Good Standard Plan

Includes lube, oil and filter every 3,750 or 7,500 miles, multi-point inspection every 15,000 miles, clean and adjust brakes every 45,000 miles.

Great Plus Plan

In addition to the Standard Plan coverage, the tires are rotated every 7,500 miles.

More choices for you.
You can select either 3,750 or 7,500 mile oil change intervals (consult your owner's manual for what's right for your vehicle).
