# Kia Certified Pre-Owned Service Contract Plan

The **Kia Certified Pre-Owned Service Contract Plan** provides coverage until your vehicle reaches 10 years from the Manufacturer's Original In-Service Date or 100,000 miles, whichever occurs first, and may include a deductible depending on the option selected. You can select to receive service from any authorized Kia dealership or a national network of over 6,000 authorized service centers, or any licensed repair facility in the U.S. or Canada.

# 3 Three Coverage Levels\*

- ▷ Premium Care Coverage
- ▷ Select Care Coverage
- ▷ Power Care Plus Coverage

\* Coverage level availability may be limited based on the age, mileage, make and model of your vehicle. Deductible may apply.

# Plan Features\*

3 plans come with the following additional features to keep you moving:

**Rental Car Coverage** Reimbursement up to \$35 per day for up to 10 days, per covered mechanical breakdown.

**Towing Coverage** Payment of up to \$75 in towing charges per covered mechanical breakdown.

**Travel Coverage** If you're more than 100 miles from home when you experience a covered mechanical breakdown, payment of up to \$100 per day, up to \$500 per occurrence, for food and lodging.

**Fluids Coverage** Replacement of necessary fluids, oils, greases, lubricants, and approved air conditioner gases needed in conjunction with a covered repair.

**Improved Resale** Each plan is fully transferable to a subsequent owner, making your car more appealing to potential buyers.

**Financing** Interest Free payment plans are available for all coverage levels.

**Nationwide Service Centers** Receive service at any authorized Kia dealership or a national network of over 6,000 authorized service centers, or any licensed repair facility in the U.S. or Canada.

\*See service contract for additional details.

## ADDITIONAL INFORMATION

This optional **Kia Certified Pre-Owned Service Contract Plan** will not pay or reimburse for mechanical breakdowns caused by misuse, abuse, negligence (including the negligence of any repair facility), improper towing, lack of maintenance of the failed covered part, contamination, overheating, lack of coolant or lubricants, lack of oil viscosity, sludge, restricted oil flow, salt, rust and rust damage, environmental damage, chemicals, or a buildup of carbon.

No payment or reimbursement for burnt valves, worn or carbon fouled piston rings, the correction of oil consumption, or any repairs for reduction in engine efficiency that must be performed on your vehicle. See service contract for complete details.

## TOLL-FREE CLAIMS SERVICE

Our representatives will provide you with claims service, authorization and access to an authorized repair facility near you. Just call 866.440.1340.

## NATIONAL COVERAGE

Enjoy peace of mind with a **Kia Certified Pre-Owned Service Contract Plan**, knowing that you are covered anywhere in the U.S., its territories or possessions, or Canada.

## DIRECT PAYMENT

Participating dealers can be paid directly for authorized repairs. You do not have to pay and wait for reimbursement.

**THE MORE YOU DRIVE THE MORE LIKELY IT IS THAT YOU WILL NEED MAJOR REPAIRS.**

Based on actual claims data

# Premium Care Coverage Plan

In addition to offering the same features of Power Care Plus and Select Care, Premium Care expands to cover many assemblies of your vehicle, giving you the “Ultimate Peace of Mind” protection. **Certain restrictions, limitations and/or exclusions may apply.\***

## **PREMIUM CARE IS EXCLUSIONARY COVERAGE:**

This means it covers your vehicle’s assemblies unless listed under the Exclusions section of the **Kia Certified Pre-Owned Service Contract Plan**.

## **PREMIUM CARE EXCLUSIONS:**

Brake linings, brake drums and rotors, disc brake pads, standard transmission clutch components and assemblies, air bags, solar powered devices, hinges, glass, lenses, sealed beams, body parts and/or panels, trim, moldings, door handles, lock cylinders, tires, wheels, all batteries except hybrid/EV/high voltage batteries as listed under Power Care Plus coverage plan, light bulbs, upholstery, paint, bright metal, freeze plugs, heater and radiator hoses, exhaust system, shock absorbers, audio/security or other systems not factory installed, work such as front-end alignment or wheel balancing, constant velocity joint boots, safety restraint systems, cellular phones, radar detectors, appliances, or vinyl and convertible tops.

\*See service contract for complete details.

# Select Care Coverage Plan

Select Care offers all of the same features of Power Care Plus, with the following additional coverage. Certain restrictions, limitations and/or exclusions may apply.\*

## COOLING

Radiator, mounting brackets and coolant recovery tank; fan clutch, fan blades and motor; fan shroud; heater core; transmission oil cooler; engine oil cooler.

## FUEL

Fuel lines; fuel pressure regulator; level sending unit; fuel injectors and seals; injection pump; diesel vacuum pump; electronic spark control systems; fuel injection control components including mixture control processor, throttle body assembly, cutoff valve, fuel rail, fuel distributor, trigger contacts, cold start valve, fuel injection valve, fuel accumulator; tank; tank door latch; tank filler neck and o-ring.

## AIR CONDITIONER

Compressor mounting brackets; idler pulley and bearings; air conditioning/heater blower motor; pressure lines and hoses.

## STEERING

Steering wheel tilt or telescoping mechanism.

## FRONT SUSPENSION

Coil and leaf springs, seats and bushings, leaf spring shackles; electronic level control components including pump, accumulator, lines and bags.

## REAR SUSPENSION

Upper and lower control arms, shafts and bushings; upper and lower ball joints; struts, housing and cartridge; wheel bearings/hubs; spindle/steering knuckle and spindle support; coil and leaf springs, seats and bushings, leaf spring shackles; track bars, links and bushings; electronic level control components including pump, accumulator, lines, bags; stabilizer bar, links and bushings.

## ELECTRICAL

Cruise control module, servo, and cables; instrument cluster/module including speedometer, odometer, tachometer and all gauges, warning indicators; security system or electronic entry systems including remote entry receiver, module; door lock actuators; windshield washer pump; mirror motor; manual and mechanically operated switches; rear window defogger; horn and relay; convertible top motor; sunroof motor; power antenna motor; electrical headlamp motor; power trunk/hatch release motor and solenoid; power sliding door motor; electronic control modules including body control module, electronic control unit, powertrain control module, transmission control module; electronic throttle control module; airbag module; crank angle sensor; camshaft position sensor; throttle position motor; fuel pulse dampener; wide open throttle switch; thermo time switch; fuel pump relay; automatic temperature control sensor; ride height sensor and relay; oxygen sensor; mass air flow sensor; manifold differential pressure sensor; differential pressure feedback exhaust sensor; coolant temperature sensor; oil pressure sending unit; temperature sending unit; OEM radio/graphic equalizer/cassette tape player/compact disc player.

## ADDITIONAL HYBRID/PLUG-IN ELECTRIC/ COMPRESSED NATURAL GAS COMPONENTS

System including all relays, sensors, electronic control units and electronic control modules; power switch/button; driver information displays; controller/electronic throttle control system; battery cooling system including blower motor control, blower assembly and ducts; dedicated cooling system including pumps and radiators, coolant storage bottle, coolant valve; hybrid condenser; thermistor; high pressure fuel storage tanks including mounting straps/hardware, pressure regulators, high/low pressure fuel lines, fuel metering system, gas fill valve, low pressure filter, and finite filter; seals and gaskets.

\*See service contract for complete details.

# Power Care Plus Coverage Plan

Power Care Plus offers protection against covered mechanical breakdowns of the engine, transmission and drive axle. Certain restrictions, limitations and/or exclusions may apply.\*

## STEERING

Steering gear housing and internal parts including control rings, valves, pinion shaft, pitman shaft, worm shaft and gear, sector shaft, bearings, adjusters; rack and pinion housing and internal parts including control valve, rack bellows, mounts, rack shaft and yoke, spool valve, bearings; power steering pump and internal parts including housing, reservoir, shaft and vanes; electric steering motor; power steering pump or electric steering motor mounting brackets; tie rods, idler and pitman arms, center/drag link, coupling and shafts; cooler lines; seals and gaskets.

## BRAKES

Master cylinder; vacuum or hydraulic brake booster assembly; hydraulic lines, hoses and fittings; brake pedal apply pin; compensator/proportioning valve; metering valve; calipers, piston, seal and dust boot; wheel cylinders, cups, seals, spring and dust boots; backing plate; brake adjusters and brake hardware; brake pedal, pedal lever and pedal pivot; parking brake linkage/ratchet assembly and cable; anti-lock braking system component parts including control processor/module, pump, dump valve, wheel speed sensors, solenoids, accumulator, yaw rate sensor, and pressure differential switch; seals and gaskets.

## AIR CONDITIONING

Condensor; compressor; evaporator; orifice/expansion; accumulator; receiver drier; automatic temperature control programmer; clutch assembly including coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner, bearing and pulley; seals and gaskets.

## FRONT SUSPENSION

Upper and lower control arms, shafts and bushings; tension rod/radius arm and bushings; struts, housing and cartridge; spindle/steering knuckle and spindle support; wheel bearings/hubs; ball joints and bushings; kingpin and bushings; stabilizer bar, links and bushings; torsion bar, mounts and bushings; track bar, links and bushings.

## ELECTRICAL

Alternator housing and all internal parts including bearings, bushings, brushes, rectifier bridge, diodes, field coil and rotor; alternator mounting bracket; voltage regulator; starter motor housing and all internal parts including bushings, brushes, field windings, starter drive and solenoid; front and rear wiper motor, transmission and linkage; power window motor; window regulators; power seat motor; steering column multi-function switch and individual switches for turn signal, headlamp, dimmer, wiper, washer and cruise control; clock spring/spiral cable; mirror motor switch; brake light switch; neutral safety switch; glove box light switch; courtesy light switch; cooling fan relay; air control solenoid; air regulator valve; idle air control motor; electronic ignition module; ignition coil; engine distributor including shaft, gear, bushings and modules; electronic throttle control; throttle position sensor; vehicle speed sensor; manifold absolute pressure sensor; knock sensor and barometric pressure sensor.

## ADDITIONAL HYBRID/PLUG-IN ELECTRIC/ COMPRESSED NATURAL GAS/HYDROGEN COMPONENTS

Electric motor/generator(s) all internal components; inverter/converter/transformer units including all internal components and cover; continuously variable transmission and all internal components; power split device and all internal components; reduction/reducer box and all internal components; hybrid/EV/hydrogen battery (nickel-metal hydrate or lithium-ion drive propulsion battery) including the case and mounting hardware, junction block, main battery cable, and frame wire; onboard battery charging system including charge controller, plug in outlets, plug in cable, and trickle charger cable; electric AC compressor and motor; electric steering rack, gear, and motor; motor/generator belt tensioner; drive motor dampener; voltage inverter reservoir; three-phase high voltage cables; hydraulic or electric regenerative braking system; electro/hydraulic power steering pump and reservoir; hydrogen fuel cell stack; seals and gaskets.

\*See service contract for complete details.
