The Platinum Service Contract begins on the purchase date and expires according to the term and mileage selected, whichever occurs first, and may include a deductible depending on the option selected. ADDITIONAL INFORMATION

This information is intended to provide only an outline of the types of coverages, exclusions and limitations of the Road Hazard Tire Contract just described and should not be relied upon when purchasing this contract. For exact coverages, exclusions and limitations, please review the contract itself. The Plan is optional and expires according to the contract term selected or when the tire tread depth reaches 2/32nds of an inch, whichever occurs first. Coverage is limited to the original set of tires on the vehicle at the time of purchase and new replacement tires. This contract is transferable to another owner but not to another vehicle.

Total Loss Protection Plan

It's called the "gap". It's the difference between the Amount Owed on your Retail Installment Sales Contract/Lease Agreement and the Actual Cash Value of your vehicle at the time of a Total Loss. The Amount Owed does not include missed payments, payment extensions, deferred payments, accrued interest, late fees, disposition fees, penalty fees, early termination fees or finance charges incurred after the date of loss. Also, if the insurance company valuation used to calculate the Actual Cash Value is less than 90% of the NADA value of your vehicle, the NADA value will be used in determining the "gap" amount (which means a smaller amount may be waived).

If your car is determined to be a Total Loss, this "gap" could translate into thousands of dollars that you would still owe after the settlement from the auto insurance company. The Plan excludes total loss claims denied by your automobile insurance company. This is an optional waiver product and is not required for you to obtain financing for the purchase or lease of a vehicle.

TWO OPTIONS

GAP+

Gap does not pay your insurance deductible.

GAP Plus (GPP)+

Gap Plus (GPP) pays your auto insurance deductible up to a maximum of \$1,000. It is included in the calculation to determine the Gap amount.

+Both options may not be available in all states.

How It Works

For example:

\$15,025 (Amount Owed at Date of Loss)*

- \$11,505 (Actual Cash Value = \$10,404 Sum of Insurance Settlement
+ 1,101 Adjustment to 90% of NADA)

\$3,520 ("Gap" Amount)

(Source: Actual Claim Data)

*This amount will be reduced by amounts owed due to missed payments, over financing, penalties, interest, etc. added to your Retail Installment Sales Contract/Lease Agreement.

ADDITIONAL INFORMATION

Claims must be submitted within 90 days of auto insurance company settlement or date of loss if no insurance exists. Upon refinancing, the contract will terminate. A refund will be made within 90 days only upon written request by the customer.

This information is intended to provide only an outline of the terms and conditions of the Total Loss Protection Plan described in this brochure and should not be relied upon at the time of purchase or lease of your vehicle. For exact terms and conditions, please review the Total Loss Protection contract itself.

Ask your salesperson or Finance Manager for the Total Loss Protection/GAP option you prefer.
