

VEHICLE PROTECTION PLAN

FOR ELECTRIC VEHICLES

**PROTECTION
PLAN**

VEHICLE PROTECTION PLAN

It's no surprise that most major repairs are needed after the original factory warranty has expired, which means you will have to deal with all the inconvenience, time, energy and expense of those repairs.

Depending on the age and mileage of your vehicle, you can purchase up to 120,000 miles of coverage. **The Vehicle Protection Plan** begins on the purchase date and expires according to the term and mileage selected, whichever occurs first, and may include a deductible depending on the option selected. You can select from a national network of over 6,000 authorized service centers or any licensed repair facility in the U.S. or Canada.

* Availability may be limited based on the age, mileage, make and model of your vehicle. Deductible may apply.

PLAN FEATURES*

The Platinum Coverage plan comes with the following additional features to keep you moving.

ALTERNATE TRANSPORTATION COVERAGE

Reimbursement up to \$40 per day for up to 10 days per covered mechanical breakdown. Coverage includes reimbursement for public transportation, rental car services or ridesharing services using a licensed rental agency, authorized dealer or ridesharing service.

TOWING COVERAGE

Reimbursement of up to \$100 in towing charges per covered mechanical breakdown.

TRAVEL COVERAGE

FLUIDS COVERAGE

Replacement of necessary fluids, oils, greases, lubricants, and approved air conditioner gases needed in conjunction with a covered repair.

IMPROVED RESALE
