

Vehicle Protection Plan

Vehicle Protection Plan

It's no surprise that most major repairs are needed after the original factory warranty has expired, which means you will have to deal with all the inconvenience, time, energy and expense of those repairs.

Depending on the age and mileage of your vehicle, you can purchase up to 120,000 miles of coverage. The **Kia Vehicle Protection Plan** begins on the purchase date and expires according to the term and mileage selected, whichever occurs first, and may include a deductible depending on the option selected. You can select from a national network of over 6,000 authorized service centers or any licensed repair facility in the U.S. or Canada.

4 Four Coverage Levels*

- ▷ Premium Care Coverage
- ▷ Select Care Coverage
- ▷ Power Care Plus Coverage
- ▷ Power Care Coverage

* Coverage level availability may be limited based on the age, mileage, make and model of your vehicle. Deductible may apply.

Plan Features*

4 plans come with the following additional features to keep you moving:

Rental Car Coverage

Reimbursement up to \$35 per day for up to 10 days, per covered mechanical breakdown.

Towing Coverage

Payment of up to \$75 in towing charges per covered mechanical breakdown.

Travel Coverage

If you're more than 100 miles from home when you experience a covered mechanical breakdown, payment of up to \$75 per day, up to \$375 per occurrence, for food and lodging.

Fluids Coverage

Replacement of necessary fluids, oils, greases, lubricants, and approved air conditioner gases needed in conjunction with a covered repair.

Improved Resale

Each plan is fully transferable to a subsequent owner, making your car more appealing to potential buyers.

Financing

Interest Free payment plans are available for all coverage levels.

Nationwide Service Centers

Receive service at any authorized Kia dealership or a national network of over 6,000 authorized service centers, or any licensed repair facility in the U.S. or Canada.

24-Hour Roadside Assistance

No out of pocket expense up to \$50 per incident for the following:

- **Flat Tire:** Change your flat tire with your inflated spare.
- **Out of Gas:** Arrange to have up to three gallons of free gas delivered if your vehicle runs out of fuel.
- **Lockout:** Assist in getting vehicle unlocked if the keys are lost, broken or locked inside your vehicle.
- **Jump-Start:** Arrange a battery jump.

*See service contract for additional details.

ADDITIONAL INFORMATION

This optional **Kia Vehicle Protection Plan** will not pay or reimburse for mechanical breakdowns caused by misuse, abuse, negligence (including the negligence of any repair facility), improper towing, lack of maintenance of the failed covered part, contamination, overheating, lack of coolant or lubricants, lack of oil viscosity, sludge, restricted oil flow, salt, rust and rust damage, environmental damage, chemicals, or a buildup of carbon.

No payment or reimbursement for burnt valves, worn or carbon fouled piston rings, the correction of oil consumption, or any repairs for reduction in engine efficiency that must be performed on your vehicle. See service contract for complete details.

TOLL-FREE CLAIMS SERVICE

Our representatives will provide you with claims service, authorization and access to an authorized repair facility near you. Just call 866.440.1340.

NATIONAL COVERAGE

Enjoy peace of mind with a **Kia Vehicle Protection Plan**, knowing that you are covered anywhere in the U.S., its territories or possessions, or Canada.

DIRECT PAYMENT

Participating dealers can be paid directly for authorized repairs. You do not have to pay and wait for reimbursement.

THE MORE YOU DRIVE, THE MORE MAJOR REPAIRS YOU'LL NEED.

Based on actual claims data

Premium Care Coverage Plan

In addition to offering the same features of Power Care, Power Care Plus, and Select Care, Premium Care expands to cover many assemblies of your vehicle, giving you the “Ultimate Peace of Mind” protection. Certain restrictions, limitations and/or exclusions may apply.*

PREMIUM CARE IS EXCLUSIONARY COVERAGE:

This means it covers your vehicle's assemblies unless listed under the Exclusions section of the **Kia Vehicle Protection Plan**.

PREMIUM CARE EXCLUSIONS:

Brake linings, brake drums and rotors, disc brake pads, standard transmission clutch components and assemblies, air bags, solar powered devices, hinges, glass, lenses, sealed beams, body parts and/or panels, trim, moldings, door handles, lock cylinders, tires, wheels, all batteries except hybrid/EV/high voltage batteries as listed under Power Care Plus coverage plan, light bulbs, upholstery, paint, bright metal, freeze plugs, heater and radiator hoses, exhaust system, shock absorbers, audio/security or other systems not factory installed, work such as front-end alignment or wheel balancing, constant velocity joint boots, safety restraint systems, cellular phones, radar detectors, appliances, or vinyl and convertible tops.

*See service contract for complete details.

Select Care Coverage Plan

Select Care offers all of the same features of Power Care, and Power Care Plus, with the following additional coverage. Certain restrictions, limitations and/or exclusions may apply.*

COOLING

Radiator, mounting brackets and coolant recovery tank; fan clutch, fan blades and motor; fan shroud; heater core; transmission cooler.

FUEL

Fuel lines; fuel pressure regulator; level sending unit; fuel injectors and seals; injection pump; fuel injection control components including mixture control processor, throttle body assembly and cutoff valve; fuel rail, fuel distributor, trigger contacts, cold start valve, fuel injection valve, fuel accumulator; tank; tank door latch; tank filler neck and o-ring.

AIR CONDITIONER

Compressor mounting brackets; idler pulley and bearings; air conditioning/heater blower motor.

STEERING

Steering wheel tilt or telescoping mechanism.

FRONT SUSPENSION

Coil or leaf springs, seats or bushings, leaf spring shackles; electronic level control components including pump, accumulator, lines, and bags, ride height sensor and relay.

REAR SUSPENSION

Upper and lower control arms, shafts and bushings; upper and lower ball joints; struts, housing and cartridge; wheel bearings; spindle/steering knuckle and spindle support; coil or leaf springs, seats or bushings, leaf spring shackles; track bars, links and bushings; electronic level control components including pump, accumulator, lines, and bags; stabilizer bar, links and bushings.

ELECTRICAL

Cruise control components including module, servo, cables, and switches; ESC systems; electronic instrument clusters and driver information systems including speedometer, odometer, tachometer and all gauges, warning indicators; burglar alarm or electronic entry systems including remote; entry receiver, sender and module door lock actuators;

mirror motor; power window switch; power lock switch; rear window defogger; horn and relay; convertible top motor; sunroof motor; power antenna motor; electrical headlamp motor; power trunk/hatch release motor, switch and solenoid; power sliding door motor and switch; electronic control modules including body control module, electronic control unit, powertrain control module, transmission control module; electronic throttle control module; crank angle sensor; camshaft position sensor; throttle position motor; fuel pulse dampener; wide open throttle switch; thermo time switch; fuel pump relay; automatic temperature control sensor; oxygen (O₂) sensor; mass air flow sensor; manifold differential pressure sensor; coolant temperature sensor; OEM radio, graphic equalizer, cassette, tape player and compact disc player.

ADDITIONAL HYBRID/PLUG-IN ELECTRIC/ COMPRESSED NATURAL GAS COMPONENTS

Onboard computer system including all relays, sensors, ECU's & ECM's electronic control units/electronic control modules); power switch/button; driver information displays; controller/electronic throttle control system; battery cooling system including blower motor control, blower assembly and ducts; dedicated cooling system including pumps and radiators, Coolant storage bottle, coolant valve; hybrid condenser; thermistor; CNG (Compressed Natural Gas) high pressure fuel storage tanks including mounting straps/hardware, pressure regulators, high/ low pressure fuel lines, fuel metering system, gas fill valve, low pressure filter, and finite filter; seals and gaskets.

*See service contract for complete details.

Power Care Plus Coverage Plan

Power Care Plus offers all the same features of Power Care, with the following additional coverage. **Certain restrictions, limitations and/or exclusions may apply.***

ENGINE

Oil pan; valve, timing and side covers; thermostat housing; water pump pulley; engine mounts; harmonic balancer; flexplate/flywheel and ring gear.

TRANSMISSION

Oil pan; detent cable; kickdown link; TVI/throttle cable; vacuum modulator; transmission mounts.

DRIVE AXLE

Constant velocity joints; slip joint; front wheel drive axles/halfshafts and wheel bearings; u-joints; couplings; flex disc; propshafts; center support bearings.

STEERING

Steering gear housing and internal parts including control rings, valves, pinion shaft, pitman shaft, worm shaft and gear, sector shaft, bearings, adjusters; rack and pinion housing and internal parts including control valve, rack bellows, mounts, rack shaft and yoke, spool valve, bearings; power steering pump and internal parts including housing, reservoir, shaft and vanes, and mounting brackets; tie rods, idler and pitman arms, center/drag link, coupling and shafts; cooler lines; seals and gaskets.

BRAKES

Master cylinder; vacuum or hydraulic brake booster assembly; hydraulic lines, hoses and fittings; compensator or proportioning valve and metering valve; calipers, piston, seal and dust boot; wheel cylinders, cups, seals, spring and dust boots; backing plate; brake adjusters; brake pedal and apply pin, pedal lever and pedal pivot; parking brake cable; ABS component parts including control processor/module, pump, dump valve, wheel speed sensors, solenoids, accumulator, pressure differential switch; seals and gaskets.

AIR CONDITIONER

Condensor; compressor; evaporator; orifice/expansion/POA valve; accumulator and receiver drier; automatic temperature control programmer; clutch assembly including coil, disc and pulley; control cables; cutoff switch; serpentine belt tensioner, bearing and pulley; seals and gaskets.

FRONT SUSPENSION

Upper and Lower control arms, shafts and bushings; struts, housing and cartridge; spindle/steering knuckle and spindle support; wheel bearings; ball joints and bushings; kingpin and bushings; stabilizer bar, links and bushings; torsion bar and mounts/bushings; track bar, links and bushings.

ELECTRICAL

Alternator housing and all internal parts including bearings, bushings, brushes, rectifier bridge, diodes, field coil and rotor; alternator mounting bracket; voltage regulator; starter motor housing and all internal parts including bushings, brushes, field windings, starter drive and solenoid; front and rear wiper motor and linkage; power window motor; window regulators; power seat motor; steering column multi-function switch and individual switches for turn signal, headlamp, dimmer, wiper, washer and speed control; mirror motor switch; brake light switch; neutral safety switch; glove box light switch; courtesy light switch; cooling fan relay; air control solenoid; air regulator valve; EFE heater; I.A.C. motor; electronic ignition module; electronic instrument panel module; ignition coil; engine distributor including shaft, gear, bushing and modules; throttle position sensor; vehicle speed sensor; map sensor; knock sensor and barometric pressure sensor.

ADDITIONAL HYBRID/PLUG-IN ELECTRIC/ COMPRESSED NATURAL GAS COMPONENTS

Hybrid/EV battery (nickelmetal hydrate or Lithium-ion drive propulsion battery) including the case and mounting hardware, junction block, main battery cable, and frame wire; onboard battery charging system including charge controller, plug in outlets, plug in cable, and trickle charger cable; electric AC compressor and motor; electric steering rack, gear, and motor; electro/hydraulic power steering pump and reservoir; motor/generator belt tensioner; drive motor dampener; voltage inverter reservoir; three-phase high voltage cables; hydraulic or electric regenerative braking system; seals and gaskets.

*See service contract for complete details.

Power Care Coverage Plan

Power Care offers protection against covered mechanical breakdowns of the engine, transmission and drive axle. Certain restrictions, limitations and/or exclusions may apply.*

ENGINE

Engine block, cylinder heads, and all internally lubricated parts including pistons, piston rings, pins and cylinder sleeves; crankshaft, pulley, main bearings, caps and bolts; connecting rods, rod bearings, caps and bolts; camshaft(s), camshaft bearings, buttons and plugs; timing gears, chain or belt; rocker arms, rocker arm pivots, shafts and bushings; intake and exhaust valves, springs, guides, adjusters, retainers and seats; push rods and lifters; intake manifold; exhaust manifolds; balance shaft; water pump; fuel pump; thermostat; oil pump, cover, gears, pressure relief valve and screen; rotor housing, rotors, shims and silent shaft; all internal fasteners, nuts and bolts; turbocharger/supercharger assembly including boost valve and wastegate; seals and gaskets.

TRANSMISSION/TRANSAXLE

Transmission/transaxle case and all internally lubricated parts including ring and pinion gears; oil pump, cover, gears, housing and vanes; torque converter; valve body(s); throttle valve; valve pack; governor, gear and cover; parking gear and pawl; roll pins; sprags; sprockets; chain; springs; stator and shaft; pressure regulator valve; pressure switches; solenoids; bands; automatic transmission/transaxle clutch, drums, pistons and steel plates; planetary and sun gears; servos and rings;

blockers; synchronizer hubs and keys; bearings; bushings; supports and shafts; control rings; yoke; extension housing; speedometer drive gears; accumulators and rings; adjusters; all internal fasteners, nuts and bolts; shift cover and forks; separate bell housing; seals and gaskets. (STANDARD TRANSMISSION CLUTCH ASSEMBLIES AND ALL RELATED COMPONENT PARTS ARE NOT COVERED).

DRIVE AXLE

Differential/axle housing(s) and all internal parts contained within the differential/axle housing(s) including the axle flange; ring and pinion gear/carrier assembly; spider gears and bearings; pins; retainers; posi-traction clutches, plates and springs; cover; transfer case and all internal parts contained within the transfer case; seals and gaskets.

ADDITIONAL HYBRID/PLUG-IN ELECTRIC/ COMPRESSED NATURAL GAS COMPONENTS

Electric motor/generator(s) all internal components; inverter/converter/transformer units including all internal components and cover; Continuously Variable Transmission (CVT) and all internal components; power split device and all internal components; reduction/reducer box and all internal components; seals and gaskets.

*See service contract for complete details.
